**"Value Tours"** Value Tours provide all the key destination attractions and core benefits of a standard Collette tour, including the services of a professional Tour Manager. These lower-priced packages feature 3-4 star hotels that may be less centrally located. They also offer more free time, allowing guests to pursue a wider choice of independent sightseeing and dining options.

**"Single Hotel Stay"**: tours feature every night at the same hotel, so you only unpack once! Accommodations are carefully chosen, allowing you the flexibility to access and explore nearby cities and attractions.
